API COLOMIERS

COLLEGE ET LYCEE VICTOR HUGO

Association de Parents d'élèves Indépendants

To strengthen pupils' schooling and safety in collaboration with school staff (replacing absent teachers, help with homework, assistance with French language, etc).

To listen to all parents: collect your suggestions and questions in order to best represent you at school meetings or pass on any concerns you may have.

To participate in official school meetings* on your behalf (executive committee meetings, disciplinary council, etc), and to provide you with feedback on your child's class councils.

To give support to families coming from abroad. If you struggle and need help with schooling issues, please contact us. We speak English and more !

To improve children's quality of life at school (stress management, ecological initiatives, raising awareness of bullying and cyber-bullying, etc).

To assist you during meetings with school staff members if needed or when in difficult situation (non-French speaker, etc).
